The Honorable Greg Nickels
Mayor, City of Seattle
600 Fifth Avenue, 12th Floor
Seattle, WA 98014

Attn: Regina LaBelle

Dear Mayor Nickels:

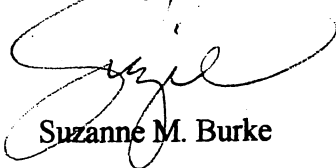

We are a long-term property owner and small business in the Fremont area of Seattle and we write to encourage the Reconfirmation of Gary Zarcher as Superintendent of Seattle City Light.

We have enjoyed the ability to call Gary when issues warranted due to our previous working relationship when he worked in other City Departments. He understands more of the City/Citizen needs due to that experience.

We have made use of the improved Customer Service at City Light and are keenly aware of the need for stable leadership in our energy supply issues over the next few years. We have to be a credible regional partner and continue our leadership in environmental and wise-business use of resources. We believe Gary can make that happen with your effective backing.

Please let us know if we – as a community business – can be of any further help. We are all in this together!

Sincerely,

Suzanne M. Burke
